## London Marathon 2014

### Sunday 13th April

### Calling all you keen runners out there!

Middle Temple is a member of The Charities Forum and we - along with all the other organisations belonging to the Forum - have been offered five places each in the London Marathon next April, which we have gratefully accepted. Next year the two charities you would be running for are The Middle Temple Scholarship Fund Appeal and The Imperial War Museum's First World War Centenary Appeal.

As previously, we would like to allocate our five Middle Temple marathon places so that they are distributed evenly through the Middle Temple population: one to a student member, one to a member of Hall, one to a Benchers, one to whoever bids the most for it (successful bid to go into the fundraising pot) and one to a member of staff. Each entrant will have to make a case for selection.

If any of you are interested in applying, please send an expression of interest (no more than 150 words) to Colin Davidson, [c.davidson@middletemple.org.uk](mailto:c.davidson@middletemple.org.uk)
