By way of clarification as to exact remits, a delineation was adopted by the Education & Training and Membership Committee in 2014, namely:

The Education and Training Committee should oversee and be responsible for "anything that pertains to becoming and being a barrister, i.e. tasks arising directly or indirectly from the regulatory requirements. Everything without which a member cannot become a barrister or practise the profession of barrister. *'Being a member of the profession.'*"

The Membership Committee should be responsible for anything that pertains to or assists the collegiate work of the Inn. *'Being a member of the Inn.'*"
